Sir in so far as the plan{Plan} is concerned its main principles and objectives are I beleive{believe} acceptable almost unanimously to all the sections of this House. The main objective is that we must bring in a socialist society and not ~~in~~ merely say what a socialist society is. And ~~is and~~ the plan{Plan} has defined what its main objective or its main purpose in having a socialist society is. The main purpose is that whatever development we are going to do in this country the object ~~objective~~ should be the socio economic gain of the community ~~country~~ as a whole in place ~~peoples~~ of private profit. And ~~The~~ secondly Sir the whole pattern of development and the structure of the socio economic relations should be planned so ~~planned~~ that they result not only in increasing the national income and the employment opportunities but ~~too.~~ There{there} should also be greater and greater equality in incomes. Sir the other day a Private{private} Member's resolution{Resolution} was being discussed in this House with regard to the fixation of a ceiling on incomes and the hon. ~~Honorable~~ Prime Minister happened to be present at that time. He very clearly ~~greatly~~ defined what the object of such a move would be. The whole idea is that we must level up the
